PRAY.COM — The world's trusted faith platform uniting ministries, believers, and brands to grow God's message globally.

▼ Key-Points Summary

What is [PRAY.COM](#)?

[PRAY.COM](#) is a technology platform focused on faith. It connects believers (people who follow Christianity), helps churches and ministries, and supports brands that want to reach Christian audiences. It uses modern tools like artificial intelligence (AI) and digital media to spread faith-based messages around the world.

What Does [PRAY.COM](#) Offer?

[PRAY.COM](#) serves three main groups:

1. Ministries & Church Leaders

- **Problem:** They struggle to reach people outside their church and can't always measure their impact.
- **Solution:** [PRAY.COM](#) helps them reach a much bigger audience (3 times bigger, at a quarter of the cost), provides real-time data on who is engaging, and uses AI to automate content creation.
- **Benefit:** Ministries can reach more people, save time, and clearly see their results.

2. Brands & Advertisers

- **Problem:** Brands want to connect with real Christian audiences but find it hard to do so authentically and safely.
- **Solution:** [PRAY.COM](#) gives brands access to verified Christian users, offers clear data on advertising results, and ensures ads appear in safe, faith-based environments.
- **Benefit:** Brands can advertise with integrity and see measurable results.

3. Listeners & Everyday Christians

- **Problem:** Many Christians feel overwhelmed by the noise of daily life and want encouragement and peace.
- **Solution:** [PRAY.COM](#) provides personalized, faith-centered content, guided prayers, and emotional support through its app and AI features.
- **Benefit:** Users can grow closer to God, find peace, and get support anytime, anywhere.

How Does [PRAY.COM](#) Stand Out?

- **Technology:** Combines software (SaaS), AI-powered content creation, and global media reach.
 - **Audience:** Over 20 million users across TV, radio, and digital platforms.
 - **Efficiency:** 19:1 cost-to-reach efficiency (meaning it's much cheaper to reach people compared to traditional media).
 - **Brand Safety:** Only faith-based, positive content is shown.
 - **Global Impact:** Helps ministries, believers, and brands work together to spread faith.
-

Who is [PRAY.COM](#) For? (Ideal Customer Profiles)

- **Ministries & Leaders:** Churches and ministries that want to grow their audience and measure their impact using digital tools.
 - **Brands & Advertisers:** Companies that want to reach Christian audiences in a trustworthy way.
 - **Listeners & Christians:** People looking for encouragement, peace, and spiritual growth in a safe, faith-focused environment.
-

How Does [PRAY.COM](#) Compare to Others?

- **For Ministries:** Competes with platforms like Ministry Brands and Gloo, but [PRAY.COM](#) offers a unique mix of content automation, audience reach, and analytics.
 - **For Brands:** Competes with K-LOVE and Salem Media, but [PRAY.COM](#) provides digital-first, measurable, and global audiences.
 - **For Listeners:** Competes with apps like Abide and YouVersion, but [PRAY.COM](#) offers a broader media experience and AI-based spiritual support.
-

Key Takeaways

- [PRAY.COM](#) is a one-stop platform for faith-based content, community, and advertising.
 - It utilizes technology to amplify faith messages, work more efficiently, and have a greater impact.
 - No other competitor combines all these features (AI, global reach, analytics) in one place.
-

In summary:

[PRAY.COM](#) helps ministries grow, brands connect with real believers, and everyday Christians find peace and encouragement—all through a safe, modern, and faith-focused platform.

✿ Summary by Competitive Tier

Tier	Definition	Key Companies
Direct Competitors	Offer similar products or services targeting the same audience (faith-based media, SaaS, or advertising).	Gloo, Glorify, ShareFaith, CBN, EMF (K-LOVE), Salem Media, Daystar, TCT, Bot Radio, TBN
Indirect Competitors	Operate in the same ecosystem but with different core products (e.g., news, podcasts, giving).	Pushpay, RightNow Media, Faithwire, ChristianPost, YouVersion/Bible.com, AFR, WRJZ
Replacement Competitors	Compete for attention, engagement, or media budgets but are not faith-specific.	Facebook, Instagram, YouTube, TikTok
Potential Competitors	Emerging or adjacent players who could evolve into direct competition via product expansion.	Angel Studios, PulpitAI, ChurchTranslation.org, LiveVoice.io, ChurchTechOnline

⚡ Strategic Takeaways

- **PRAY.com's Direct Battlefield:** Faith media networks + ministry SaaS providers.
- **Greatest Long-Term Risk:** *Gloo + EMF + TBN* if they integrate AI and data analytics.
- **Emerging Threats:** *PulpitAI + Angel Studios* expanding AI or streaming into global ministry markets.
- **Greatest Differentiator:** PRAY.com's **integration of SaaS, AI content automation, and global broadcast reach** — no other competitor combines all three.

1 Ministries & Church Leaders Segment

Primary PRAY.COM offering: PRAY TV, PRAY Radio, and PRAYStudio (AI-powered ministry SaaS + media distribution)

Competitor	Positioning / Offering	Why PRAY.COM Wins
Ministry Brands / ShareFaith	All-in-one church management, giving, streaming, and website suite for 90K+ organizations.	PRAY delivers audience reach + media scale they don't; Ministry Brands is infrastructure, not distribution.
Gloo	AI-driven ministry platform with communication, analytics, and engagement tools.	PRAY.COM combines Gloo's tech + massive faith audience ; Gloo lacks integrated broadcast and reach.
Pushpay	Leading ChMS + giving platform focused on financial transactions and app engagement.	PRAY.COM provides content-driven growth + ROI visibility ; Pushpay monetizes giving, not audience impact.

● **PRAY.COM Differentiator:**

The only platform that combines **AI content automation + broadcast reach + analytics** for measurable ministry impact.

2 Brands & Advertisers Segment

Primary PRAY.COM offering: Faith-intent advertising network (TV, Radio, App, and SuperFunnel)

Competitor	Positioning / Offering	Why PRAY.COM Wins
K-LOVE / Educational Media Foundation	Massive Christian radio network with a national donor base and sponsorships.	PRAY offers digital-first, measurable, and global faith-intent audiences ; K-LOVE is

		limited to analog broadcast.
Salem Media Group	Conservative/Christian broadcast network with radio, web, and podcast inventory.	PRAY delivers 3× higher reach at ¼ the cost and real-time analytics , not 6-month reports.
Faithwire / CBN Digital / The Christian Post	Faith-based digital media with ad/sponsor placements.	PRAY.COM offers closed-loop attribution and verified app engagement — not just impressions.

● PRAY.COM Differentiator:

The only **brand-safe, data-rich faith media network** that unites content, audience, and analytics under one platform.

3 Listeners & Everyday Christians Segment

Primary PRAY.COM offering: PRAY app + PRAY-AI (faith-based audio, prayer, and counseling experience)

Competitor	Positioning / Offering	Why PRAY.COM Wins
Abide	Meditation & prayer app focused on mindfulness and sleep.	PRAY.COM offers broader media ecosystem (TV, radio, AI) and deeper ministry integration.
Glorify	Modern devotional app targeting Gen Z/Millennial believers.	PRAY.COM offers richer content diversity + 24/7 AI pastoral care , not just app devotionals.

YouVersion / Bible App	Free Scripture app with a global user base.	PRAY.COM complements Scripture with storytelling, prayer, and spiritual care , offering emotional and pastoral depth.
-------------------------------	---	--

 PRAY.COM Differentiator:

The only platform offering **faith content, community, and AI-based spiritual support** across multiple media channels.
